

June Resident of the Month
Sue Andorn

Resident of the Month
Emma Nyce

Emma was born in Skippack to Anna and Frank Dusza. One of 12 children (9 girls and 3 boys), Emma and her twin sister Eleanor spent a lot of their time working on the family farm. She attended Harleysville Grade School in Souderton and completed her GED program later.

Emma worked part time in a hosiery manufacturing plant operating the manufacturing machines. She met her husband Johnathon, a machinist, at the Sunnybrook ball room where she spent time dancing the night away. A few years later they married and had 4 boys (and 9 Grandchildren).

The 4 boys kept her busy especially in the local Boy Scouts organization where Emma was a den mother for 19 years. Because of her hard work and dedication to the Boy Scouts, she was the first and only woman to receive the St. George Award. (an award given to those who have made significant and outstanding contributions to the spiritual development of Catholic youth in Scouting) Emma loved spending time with her boys, being a den mother, and everything the Scouts did including camping, hiking, and canoeing.

In her spare time Emma loved to crochet afghans and paint. Rumor has it she makes an incredible Santa Clause drawing!

Message from the President of Columbia Cottage

Spring sports are well underway. As a matter of fact, my daughter's first high school track meet is in a few days and as you can imagine, she is filled with excitement about the possibility of beating her PR (Personal Record) of 2:35 for the 800-meter race and 5:25 for the mile. Yes, those are shockingly fast times, especially to us over 50-year-old. In full disclosure, I completed (will not use the word ran) a 1-mile fund raising event last year and clocked in with a time of 11:04. Despite the realization that my daughter could have easily lapped me, I take comfort in my belief that life is a marathon. God's purpose for us is to simply run the race of life without giving up. Face the tough stretches and the easy strides with equal effort expended and look to Him for your direction. In our daily life, we need to all keep an eye on the finish line. God will provide grace and mercy along the journey when you begin to tire. He will refresh your soul, and through the Bible He will provide nourishment for you until we finish the race and receive the prize of eternity spent with Him in heaven.

Gone to the Birds!

As Spring arrives so do the birds! We put on our binoculars and hunted for our feathered friends. We learned interesting facts and had a few laughs.

Umbrella Social

In honor of National Umbrella Month we learned a little about the history of the umbrella while enjoying some tasty beverages served with (none other than) an umbrella!

Balloon Badminton

Watch out Team USA Columbia Cottage is coming to the summer Olympics with our award winning Badminton Team.
