Finding Joy

We can find joy in the most unexpected places but living joyously is quite challenging. This is especially true during difficult times. When something happens that breaks the pattern of comfort and happiness in our lives, we are being put to the test. Such trials can strengthen our faith for He said that I am training you to consider it pure Joy whenever you face trials of many kinds. I encourage us all to stay in communication with Him through our spoken words, thoughts, and songs (although my daughters strongly discourage me with the latter). Spend time absorbing His Word and let it speak into your heart, where it changes the way, we think and live. In His presence, we can find fullness of Joy, perfect Peace, and unfailing Love.

-Jim

The Cottage Country Store

Beginning this March, the Cottage will be opening a Country Store. Throughout the month, residents will be able to win Cottage Cash during Bingo and Trivia Games. On the last Friday of each month, the Country Store will be set up to residents to spend their cash. Items will include: candy, toiletries, seasonal décor and more!

Crafty Crew

In February, we started baking and painting in favor of our artistically inclined residents and boy do they love it! We have even recruited a few nay-sayers. Nothing says, "I love you" like a homemade baked good. So far, our residents have enjoyed baking carrot cupcakes, chocolate almond croissants, and banana bread. They have also made several different crafts and paintings!

Please review your experience with us:
